## Appointment of Chairs of Clinical Departments and Centres at the University of Nicosia Medical School

The Medical School announces the appointment of Foundation Chairs for the School's newly formed Departments and Centres.

The aim behind the formation of the Clinical Departments and Centres is to ensure communication and facilitate integration of curriculum delivery across the Medical School's programmes and its three clinical training sites: Swedish Covenant Hospital at Chicago, USA, Sheba Medical Centre at Tel Hashomer, Israel and Nicosia General Hospital, Cyprus. The new Departments and Centres will enhance research collaboration and faculty exchange among the School's three sites.
